Detective Scaramucci informed Members about "Human Trafficking" and Texas Issues. He defined the differences between Smuggling, Sex Trafficking, and Labor Trafficking. He also discussed misconceptions of these differences. One interesting test he set up on his cell phone was a test sting of how many hits he could get during his presentation targeting predators wanting to meet with a 15-year-old girl for sex. He actually received 19 hits in that hour and one predator actually called him. His presentation was exceptional and he gave members the opportunity to ask numerous questions.
